

The 'Zoroastrian Society of Ontario' on September 19th 1990, sponsored and helped the founding of the 'First Zoroastrian Scout Group'. The 'Zoroastrian Society of Ontario' premises, is the home base of the 'First Zoroastrian Scout Group'.

The 'First Zoroastrian Scout Group' adopted the title of '100 Toronto Scout Group' modeled after the '100 Bombay Scout Group' which was founded by the late 'Arshedir Behramji Homavazir' of Mumbai. The '100 Toronto Scout Group' is affiliated and chartered with 'Scouts Canada'.

'Scouts Canada' programs are designed to help the youths in developing Spiritual, Physical, Intellectual, Character, Emotional and Spiritual elements, a.k.a. SPICES. The elements of SPICES are achieved through 'youth led' programs involving camping, hiking, swimming, archery, cooking, biking and visits to the places of interest. We help the youth to take on challenges, develop their abilities to think critically and use the information in an original way. Outdoor discovery, community service, physical activity, and hands-on learning are at the heart of our Scouting program.

The '100 Toronto Scout Group' is divided into three groups. Children 5 to 7 years of age enrol in the Beavers-Scouts. The children between 8 to 10 years of age form the Cub-Scouts. The Scouts is for youth between the ages of 11 to 13. There are options to form Venture-Scouts for youth of the age 14 to 17 and Rovers for the age 18 to 24.

The '100 Toronto Scout Group' is open to children with both or one parent of the 'Zoroastrian' faith.

We request the Parents to encourage their children to enrol in our Scouting Group. We are always looking for Volunteers to help with our Scouting activities.

The Scouting year is from September 1st to August 31st of the calendar year.
