WHAT'S NEW PRES?

It's already month two of 2020! How fast January has gone by... with heart-warming Jashans and Gahambars to start the year, the month has also been a stark reminder that we are finite and fragile.

Two tragic events, in particular, left us shaken and saddened; the first on January 8, when a Ukraine International Airlines flight crashed in Iran, killing all on board and shattering the lives of many more; second on January 26, when a helicopter crash in California killed all on board, including a young sporting and business icon Kobe Bryant and his 13-year old daughter, Gianna.

Whether we can make sense of them or not, sadly we must accept the events. We will do our best to continue making a positive impact and allow time to heal us in ways we cannot foretell.

Here are a few of the significant events to look forward to in February:

On Saturday, February 1, we celebrate the mid-winter festival of Jashne Sadeh. I encourage all of you to attend, bring a branch or piece of wood to add to the bonfire to drive back winter and gather as a community to look forward to Spring and Nowrooz.

The 100th Toronto First Zoroastrian Scouts Group holds its Annual Valentines Day Fundraiser on Saturday, February 8, with the enchanted theme of "Under the Sea"! Do contact Shiraz Tampal or Pearl Chothia to register yourself, family and friends for the event and dinner (details on the attached flyer) to help our Scouts fulfill their annual fundraising goals. This allows the Scouts to conduct programs for our children throughout the year and are ever appreciative of your support.

The Scouts will also observe the Annual Baden-Powell (B-P) Day on Sunday, February 23, in honour of Scouts' founder, Lord Robert Baden-Powell.

On Saturday, February 29 (yes, this is a Leap Year!) the popular Sports & Karaoke Night is back! Details in the flyer... hope to see you there...

This past month your Board has been working to put a process in place for carrying out large initiatives, such as the Main Hall flooring, outdoor landscaping and various repairs. The goal is to be transparent, accountable and get the best value for ZSO and the community. The process details are included in the Newsletter. Please contact secretary@zso.org with any questions or to find out how you can contribute.

Mazdayasni Zoroastrianism is the world's oldest monotheistic religion. The Zoroastrian Society of Ontario is honoured and blessed with access to resources as well as have official registered charity status to preserve, protect and share knowledge of the tenets of the religion. The Board of Directors will be happy to assist with any queries and can be contacted at: <https://zso.org/Contact>

On Monday, February 17 we observe Family Day. On behalf of the Board, I wish you A Happy and Peaceful Family Day, to cherish your loved ones all year round.

Tandarosti.

Mashya Amroliwalla, President

New Year's Eve - 2019

The New Year's Eve party this year was organized by the Entertainment Committee along with the Kanoun at the Darbe Mehr and it was a fantastic evening. Fravash Chothia entertained as the Master of Ceremonies and did a fabulous job. There were many new faces that attended the event from all over Toronto and the surrounding regions.

There were performances from our youth - our Zoro rapper Kaizad Tafti; Rustom Pourmandegarian thrilled the audiences on the piano and violin and Spenta Chothia on the piano while Benji Irani sang opera songs.

Games including beer-pong and darts involving audience participation were conducted by Fravash Chothia. It was a great way for all to meet new people and get everyone warmed up for the evening.

The photo booth decorated by the youth was a great hit and allowed people to share memories of the evening.

The Afghani food was enjoyed by all followed by midnight snacks and champagne toasts to bring in the New Year.

Our very own Mehrwan Wadia kept the party going from start to finish with wide array of music.

We thank all the organisers for a memorable evening and to all who attended to make this a true community event.

Happy New Year to all!

Khushali Jashan

“The first Jashan of 2020, the “Khushali Jashan”, was held at the Darbe Mehr on Saturday, January 4th, followed by lunch. Four of our devoted priests, lead by Ervad Athavian Bamji and ably supported by Ervad Hoshang Udwadia, Ervad Mehbad Dastur and Ervad Khushroo Bharda, performed the Jashan to warm up the crowd – even though weather-wise it was a mild day.

ZSO President Mashya Amroliwalla thanked our Priests for their devoted service to the community and delivered a short address to welcome the attendees. Among the honoured attendees that day, Mashya recognized and welcomed Father Prakash Lohale of the Archdiocese of Toronto and his

assistant’s Mr. Danial Niamat and Ms. Tracey Tellis – see picture.

The Archdiocese through Father Prakash’s office invites the ZSO to the Annual Cardinals Dinner in Toronto – one of the largest and most prestigious charitable fundraisers – each year and had expressed their sincere wish to be part of one of our religious functions. ZSO was glad to invite them to attend the Khushali Jashan.

As always, the event was only completed when all tucked into the delicious lunch of Dhandaar patio and accompanying veg/non-veg options, made and served by Chefs Kersi Khambatta and Percy Daruwalla, supported by their devoted volunteers.”

An Evening with the Maestro – Zane Dalal

On January 24th, Toronto’s Koerner Hall hosted a wonderful evening of music featuring tabla afficianado – Zakir Hussain accompanied by “apro” Zane Dalal conducting the Royal Conservatory Orchestra.

The evening started with a small group talk with both Zakir and Zane hosted by Mervon Mehta. The concert itself was the Canadian premier for Zakir’s piece – PeshKar – and for Zane conducting.

The tabla beats combined with the classical notes of the orchestra made for a unique and wonderful blend of Indian and Western music. A treat for all who attended.

Youth in Policing

In 2012, the Youth in Policing Initiative Afterschool program was created in recognition of the importance of providing support and employment opportunities for young people all year round. This employment initiative focuses on diverse youth between the ages of 15 and 18 years, who reside in our priority identified neighbourhoods within the City of Toronto.

The aim of the Youth in Policing Initiative is to promote youth participation in and exposure to the work environment through diverse, educational, and productive work assignments. This program also enhances the link between the police and the neighbourhoods we serve. This initiative gives young people an opportunity to develop job skills while fostering positive partnerships with the Toronto Police Service.

The mandate of the Youth in Policing Initiative is:

To promote youth participation in and exposure to the work environment through diverse, educational and productive work assignments;

To enhance the link between the police and the neighbourhoods we serve by selecting youth reflecting our culturally diverse city;

To provide a safe and positive employment opportunity; and

To promote the Toronto Police Service as an employer of choice.

Formal Process for Execution of Projects:

Step 1 - Define Scope and Budget of Work Required

Scope should include all references and detail as presented to membership for approval. Document should be approved by Board of Directors (BoD) before sending out for tender. Include the minimum number of tenders that will be sourced as part of the project.

Step 2 – Request for Proposal Created by BoD

Request for Proposal document will be created by the board members at a regular board meeting along with input from House & Garden committee. The RFP should include all details required to source an accurate and complete estimate from all vendors including warranty and guarantee of any parts and labour if applicable.

Step 3 – Invite Tenders

Invite tenders from the community through Newsletter, email and social media platforms. Tenders can also be sourced through word of mouth recommendations provided the vendor completes the RFP form.

All tenders should be submitted to the BoD via sealed envelope addressed to Secretary, ZSO.

NB: If any member of the H&G Committee, or any other Committee involved in the project, is interested in the RFP then they should make this known to the H&G Committee chair and Board Liaison and temporarily recuse themselves from the entire process till the Board has announced its decision to ZSO Membership.

Step 4 – Selection of Vendor

BoD will select vendor based on tenders received. The BoD will seek out SME knowledge as required to make an informed decision on which vendor will be selected to do the work. *(This SME should ideally be the H&G Committee chair – but could also include other members of the community.)*

Once the vendor is selected, the Board Liaison will advise and obtain consent from Rustom Guiv Foundation. The Board Liaison will then advise H&G Committee chair or respective Committee Chair on selected vendor and announce the same to ZSO members.

Step 5 – Execution of Project:

Once vendor has been chosen, they will supply a detailed Statement of Work within 15 days including terms of payment and start date/timeline.

Project Management responsibilities will be taken on by H&G Committee chair or their delegate and executed based on the signed SOW and requirements.

The Project Manager (PM) will ensure timeline and deliverables are tracked and any issues/delays raised immediately. A daily status update is required by the BoD from the PM via email.

Final inspection of work should be done by BoD along with H&G Committee chair in the presence of the vendor before final payment is issued.
